President's Message

We are getting a lot of compliments on the new website from the membership. They are telling me that they like the ability to pay their dues online and not have to mail in a check. Also being able to see the calendar and read the Marksman.

I would like to point out another feature that is in the website. If you login and go to your account you will see a membership card in your name. You have the option to download it in your phone or print it out. This will come in handy if you need to prove that you are a member of a gun or archery club.

I have to say that I am disappointed in the lack of a response on members stepping up and volunteering to serve on some of the club committees. Jim Caldwell is looking for a couple of members to help him and I am looking for some members to be backup on using the admin section of the website. Serving on one of the committees is not a time consuming job, we are just looking for members to be backup if something happens. When I joined the club we very seldom outsourced any club issues. The members always step up and took care of the issues or the work that needed to be done. With the number of members we have now and with so many of different backgrounds, I am sure you would be a big help to the club.

The last thing I have is the bridge on the NFA range is washing away. I am open for ideas on repairing or replacing it. Also if anyone is a contractor or know a contractor that could address this problem let me know.

Mike Mattiea is the New Safety Officer. I would like to thank him for stepping up and not only doing the orientations, but also volunteering to be Range Safety Officer.

The next orientation is July 24th.

Pat DiMauro, President
