The Marksman

President's Message

Under a program thru BG&E, we were able to have the majority of the lighting thru out the club house and parking lot changed to LED fixtures. This was done at no cost to the club and should cut down our electric bill every month.

The Eagle Scout project of staining the fence around the upper range and the baffle has been completed. I thought they did a good job and it looked great. I believe they had around twenty-five boy scouts doing the work and they completed it in two days. We supplied the material and they supplied the labor, which was another savings for the club.

I am going to have a dumpster delivered to the club so we can start a general cleanup of the club building and grounds. I will send out an Email of when we plan on starting, so I will be looking for volunteers.

At the July Board meeting the Trustees voted to start offering conceal and carry training to members that want to get their conceal carry license. We don't have all the details at this time on how it will be done. I will send out an Email when the classes will be held and who to contact to sign up for it.

Pat DiMauro, President

Please submit all items for consideration in the Marksman in Word format by the 17th of each month to the MARKSMAN PUBLISHER – Dan Carrick
