## President's Message

The first issue that I have to report is that the conservation easement agreement to sell the development rights to the club property has fallen thru.

I'm not going to go into details in my report, but anyone that wants to know what happened can contact Mike Brown or myself and we will be glad to tell you what happened. I will say that the issues that we had with the contract were not a big deal. The county did not want to give in to anything so we decided to back out for the good of the club.

We are still trying to make the changes to the Bylaws but are still experiencing a low turnout at the meetings. The only people that are coming to the meetings are new members.

I would like club members to attend the meetings to discuss the changes before we publish them in the Marksman.

Remember that Anne Arundel County is still under a mask mandate so members using the club please wear a mask.

There is a bucket at the top of the steps with salt in it. With the weather that we are having make sure you check the stairs before going down to the range and salt them if need be.

Pat DiMauro, President
