President's Message

The New System of going thru our website to pay your dues or to join the club is going ok but we are have a few problems that I'm not sure of how to solve. The First problem is that we have a lot of members that have bad email address and aren't receiving the Marksmen, with the old system when they renewed their dues by check, they were sent a sticker with the new gate code, this no longer the case. It has been suggested that we just let their membership expire and when they come to the club they won't be able to get in. I hate to do it that way but I don't know what else to do. Another problem is that some members are having a difficult time using the app in their phone and are still using the key pad at the gate. Any member that is having trouble contact me and I will try to help them. The other solution is to contact me and request a key card.

After the July club meeting the gate combination will not work, you will have to use the app on your phone or a key card to get thru the gate or into the club house. If the gate brakes down for whatever reason we will have a chain and padlock put on it. The combination will be 4522 to open the gate and get in.

Jim Caldwell, the Financial and Legal Trustee is asking for a couple of members to help him out. He is looking for these members to be on his committee so they can be familiar with what is going on with the club finances. This is very important for the club. If Jim decides to step down we need someone to be able to take over. You can contact Jim at 301-928-3281 or caldjim@gmail.com

The July meeting won't be until July 12th due to the holiday

Pat DiMauro, President
