The Marksman

President's Message

The Safety fence between the Archery practice range and the lower range has been completed. The Fence and Deck connection did the work for us and they used white oak beards that are double thick. This should be ample protection from any ricochets that might occur.

We are working on getting a tree service company to come in and remove some trees that boarder the drive way coming into the club and around the lower range. It is unfortunate that the club is going to have to pay for this work that could have been avoided if we had cut these trees down before they got so big.

The youth program is still looking for volunteers to help out. If anyone is interested contact Mike Mattia.

I would like to remind all shooters using the upper and lower ranges that you're not allowed to put any target on the ground and shoot at it. This type of shooting can cause bullets to ricochet off the ground and leave the range. All targets need to be set up so a bullet will impact the earth berm at the back of the range.

We have club pins for sale. They are four dollars apiece and you can get them thru me, Ron West or Marlin Ewing.

Pat DiMauro, President

**Please submit all items for consideration
in the Marksman in Word format by the
17th of each month to the MARKSMAN
