The Marksman

President's Message

I would like to start my report by thanking Mark and Selene Annadale, for building six new target frames with wheels for the lower range. They also cleaned up range and got rid of all the old frames.

I hope club members that use the lower range appreciate their efforts and don't shoot up the frames like what was done in the past, these new frames cost the club about one hundred dollars each plus the work that Mark and Selene put into them.

I know that we have some members that are too lazy to put a target down range and use the target frames to shoot at it. I hope this doesn't happen to the new frames. Also, the Board has said that if it does the club will no longer supply target frames for the lower range, you will have to supply your own. I would like to remind everyone that we have a camera system up and running so we can see if someone is vandalizing the new frames.

The driveway should have been repaved by the time this report is published. The last time the club had it paved was around twenty-five years ago. The drive in and out of the club should be a lot nicer.

The last big project that we are facing is cutting down the trees around the lower range and along the driveway. I'm in the process of getting estimated from Tree Company's.

Pat DiMauro, President

**Please submit all items for consideration
in the Marksman in Word format by the
17th of each month to the MARKSMAN
