The Marksman

President's Message

With the start of hunting season I want to make all members aware that the hunting areas are closed to all members except members with a hunting permit. The hunting areas hours are dawn to 11am and 3pm to dusk and the club policy is that you have to wear orange if you are shooting the NFA range or collecting fire wood when the hunting areas are open.

The club will be closed on October 11th for the paving of the drive way. I'm not sure if the work will be completed in one day, so you should wait until I send out an email that the work is done and the club is opened again.

The electric bill was high again and I found that someone had turned the thermostats down to 70 degrees. The sign on the wall says not to change the setting. We have cameras monitoring the indoor range, so we are going to start checking to see who is changing the settings on the thermostats. The person that is doing this could face a suspension of their membership or a fine.

Pat DiMauro, President

Please submit all items for consideration in the Marksman in Word format by the 17th of each month to the MARKSMAN PUBLISHER – Dan Carrick
