## President's Message

The Board of Trustees, have decided to cancel the October club membership meeting, due to the September meeting being delayed because of the Labor Day Holiday. Also, with the September meeting being held on the 13th that would only allow for approximately 2 weeks before the October meeting.

I feel that because of the recent developments of the corvid virus we will be practicing social distancing at the September meeting and masks will be optional. Also anyone that doesn't feel comfortable attending the meeting and has club business can contact me and I will try to take care of the issues.

Badi Joyce will be at the September meeting, so anyone that has issues with the app or needs a key card should come to the meeting.

Jim Caldwell has told me that he has a couple members that have stepped up and volunteered to be on his committee.

I would like to remind all members that hunting season starts in early September. The club hunting areas are closed to all non-hunting members from dawn to 11am and from 3pm to dusk. Members should check the hunter sign in sheet to make sure no one is hunting and wear orange if they are shooting in the NFA range.

The last issue I have is that we had an incident on the rimfire range. A young girl was stung by wasps that had a nest under one of the shooting benches. I am asking all members to check the ranges for bees and wasps nest before they shoot. I left several cans of wasp spray on both ranges.

Pat DiMauro, President
